

7 Day Prayer Challenge for the Step by Step Foundation

We understand that people may not always have the money or bottle donations to give, but we always have prayers to give. Prayer has built this organization into what it is today. The reason why we pray is to invite God in. We pray so we will be able to discern what God wants and what his will is better. Through prayer, we believe in faith that we will get into the presence of God so we will be able to get God's agenda for what he wants to do through Step by Step in 2022. We would love for you to join us in helping us pray for our organization and thanking God for the amazing things he has done and will continue to do in the year 2022.

Day 1) Prayers for the organizations and people that we assist

God, we pray for all the organizations and people that Step by Step helps. We pray that you will supply them with everything they need in order to do what you are calling them to do. Let your will be done. In Jesus Name. Amen

God, we pray over all the bottle donations, monetary donations, and supplies that have been donated. We pray that you will direct the Step by Step team on where to go and what to give. We pray that Step by Step will use the money and supplies donated during the right time in the year to help those most in need. We ask that you give the Step by Step team wisdom and strength to do whatever you are calling for them to do. Let your will be done. In Jesus Name. Amen
