

7 Day Prayer Challenge in 2023

Our secret sauce for Step by Step has always been prayer. Ever since my family started Step by Step in 2019, prayer has always been our foundation. When we started Step by Step, we had very little resources and connections in our area, but we had prayer. We had the one thing that we knew we needed. We believe at Step by Step that there is power in prayer and that God will direct us, help us, and provide for us if we seek him out in order to do his will. We want to invite you as we start the year of 2023 at Step by Step by partaking in our 7-day Prayer Challenge Tradition. Each day is filled with something new to pray for as we start the new year! We can't thank you enough! Can't wait to see what God does in 2023 through our prayers! Lets go!

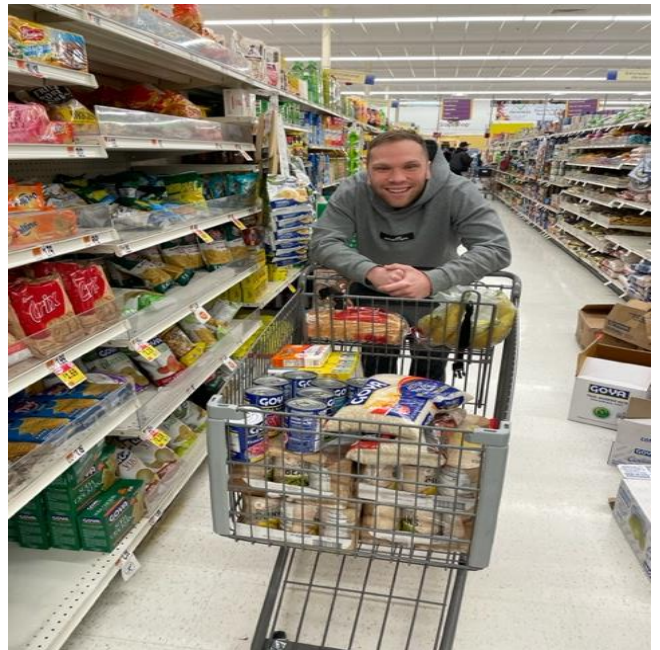

Day 1) Prayers for the organizations and people that we assist

- God, we pray for all the organizations and people that Step by Step helps. We pray that you will supply them with everything they need in order to do what you are calling them to do. Let your will be done. In Jesus Name. Amen
- **Philippians 4:19**
- **Matthew 6:11**

Day 2) Prayers that God will send us to those who are most in need so we can help them in any way that we can.

God, we pray that you will send the Step by Step team to people most in need in 2023. Not just to meet their physical needs but also their emotional and spiritual needs. We pray for anyone that is in need in Waterbury and beyond that you will use the Step by Step Foundation as a vessel to reach your children's needs. In Jesus Name. Amen

Day 3) Prayers to help us steward over the money and supplies others have donated in the best way possible in order to help those most in need.

God, we pray over all the bottle donations, monetary donations, grants, and supplies that have been donated. We pray that you will direct the Step by Step team on where to go and what to give. We pray that Step by Step will use

the money and supplies donated during the right time of the year to help those most in need. We ask that you give the Step by Step team strength and wisdom to do whatever you are calling for them to do. In Jesus Name. Amen

- **Luke 16:10**
- **Proverbs 16:9**

Day 4) Prayers for the Step by Step board members and volunteers. That God will give them the strength and wisdom to continue to grow this organization in a way that glorifies him.

God, we pray that you will speak to the Step by Step board members and volunteers. We pray that you give them ideas and wisdom. We pray that God will strengthen them to do things they never thought they could. In Jesus Name we pray. Amen.

- **Matthew 19:26**
- **Philippians 4:13**

Day 5) Prayers for the families and friends of those who have been great supporters of this organization

- Numbers 6:24-26

Day 6) Prayers for when we have trials and tribulations.

God, we understand that Step by Step will experience trials and tribulations in 2022. But when they do God, help them to trust you. Help them to know that in every circumstance, even if it may not seem like it, you are working all things out for the good. Let your will done. In Jesus Name. Amen

Day 7) Prayers that our organization will be able serve God and spread the love of God in everything we do

God, we pray that in whatever Step by Step does this year, that they will be able to serve you and show people the love, peace, and freedom that you provide through your son Jesus Christ. Let your will be done. In Jesus Name. Amen.
